

Non Resident Card Scan Processing Procedures

Applicants, who reside out of the State of Michigan, may use the IdentoGO Card Scan Processing Program. The Card Scan Processing Program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. The section below details the procedures for submitting fingerprints to the Card Scan Processing Unit. The sections that follow detail the procedures for submitting fingerprints to the Card Scan Processing Unit.

Michigan Licensing

An Applicant should obtain a set of fingerprints from a local law enforcement agency or other entity that provides fingerprinting services. These fingerprints may be either traditional ink rolled fingerprints or LiveScan fingerprints printed to an FBI hard card.

Please provide the following information to the technician capturing the fingerprints

- **Capturing Four-Finger Slaps:**

- Fingers must be placed vertically, straight up-and-down, when capturing the four-finger slaps as depicted below:

- Michigan State Police will reject and refuse to process any fingerprint cards that have the four finger slap prints at an angle.

- **Capturing Individual Fingers:**

- Each finger and thumb will need to be rolled completely from one side of the fingernail to the other side of the fingernail.
- Michigan State Police will reject and refuse to process any fingerprint card that contains non-rolled fingerprints.

- **Submitting Fingerprint Cards:**

- Fingerprints must be submitted on standard FD-258 FBI applicant card. IDEMIA will not process any other state or local government agency's fingerprint card, we can only accept the standard FBI applicant card (white with light blue trim).

- The fingerprint card must be completely filled-out in legible print. The following information must be included:
 - ✓ Full name
 - ✓ Date of birth
 - ✓ Home address
 - ✓ Sex
 - ✓ Height
 - ✓ Weight
 - ✓ Hair color
 - ✓ Eye color
 - ✓ Place of birth (state or country only)
 - ✓ Citizenship
 - ✓ Reason Fingerprinted and Agency ID number or MSP Requester ID number
