IDEMIA Identity and Security USA, LLC (“IDEMIA”) is pleased to offer a new service - No Charge Authorization Codes or “NCAC(s)”. This service will allow you to establish an account that is backed by a major credit card (currently VISA, MasterCard, Discover and AMEX).

The benefit of a credit card-backed NCAC account is that your credit card is charged ONLY when one of your applicants is fingerprinted and an NCAC is redeemed. During applicant registration, when “NCAC” is selected as the payment method, the applicant will be prompted to enter the NCAC assigned by you from your account, thus reserving the NCAC for that applicant and his or her appointment.

NCACs will expire one (1) year from date of issuance or at the credit card expiration date, whichever comes first. Expired NCACs will not be charged to your credit card. This feature is designed to assist you in controlling the distribution of NCAC codes and assist in preventing fraud. The assigned primary contact for your account will be responsible for issuing and controlling the use of NCACs provided. The assigned primary contact should request all applicants to provide a copy of their enrollment receipt in order to assist you with your record-keeping.

Please review the following guidelines before you open an NCAC account:

- A minimum of 50 (fifty) NCAC codes per service type must be requested at any one time.
- Customers may open only one account per tax ID number.
- Complete and return the attached NCAC Agreement, Credit Card Authorization and Customer Account Information forms in their entirety to our Billing department via fax at 952-945-3326.
- The Customer Account Information form is used to identify those email addresses to which IDEMIA should send NCACs for your account.
- Upon receipt and execution of the requested documentation, IDEMIA will provide your assigned primary contact with NCAC’s. Allow 3-5 business days for processing.
- Your nine-digit Federal tax ID number or EIN number will be the identifier for your account, along with an account name. The assigned primary contact must provide this information to order additional NCACs.
- Additional NCAC’s may be requested by submitting a re-order form, located at the “Download Forms and Links” section on our web site, <https://www.identogo.com> and select your state. All re-order forms must be submitted via email to: OKUEPAccounts@us.IDEMIA.com.
- You will be charged a \$1 convenience fee for every applicant printed using an NCAC code assigned to your account. If the NCAC payment method does not work for you, other payment options are available.
- Credit Card onsite (Card holder must be present)
- Money Order, Cashier's Check or Business Check per individual fingerprinting applicant

Steps to Redeem an NCAC

1. Pre-enroll and schedule a fingerprint appointment in the State of Oklahoma at <https://uenroll.identogo.com>
2. After you enter your Service Code and input the necessary information during the pre-enrollment, when prompted to choose the form of payment, select the NCAC option and enter the NCAC provided to the applicant.
3. The Service Code selected during pre-enrollment must match the Authorization Code provided by the applicant at the time an NCAC is selected as payment. Otherwise, the applicant will be prompted for another form of payment if the NCAC is invalid and the applicant will be required to pay for his or her enrollment with a payment method other than NCAC.
4. IDEMIA will provide your applicants with a receipt, indicating confirmation of payment by NCAC. This is not a credit card receipt and does not reflect the \$1 convenience fee.
5. Ensure that the applicant retains or returns a copy of the receipt to you for your records. The applicant may ask for more than one copy of their receipt at the enrollment center at the time of fingerprinting
