IDEMIA Identity and Security USA, LLC (“IDEMIA”) is pleased to offer a new service - No Charge Authorization Codes (NCAC), also referred to as coupon codes. This service will allow you to establish an account that is backed by a major credit card (currently VISA, MasterCard, Discover and AMEX).

The benefit of a credit card-backed NCAC account is that your credit card is charged ONLY when one of your applicants is fingerprinted and an NCAC is redeemed. The applicant may select “coupon code” as a payment method during applicant registration. The coupon code will need to be provided to the enrollment agent on site as payment at the time of service.

NCACs will expire 1 (one) year from date of issuance or at the credit card expiration date, whichever comes first. Expired NCACs will not be charged to your credit card. This feature is designed to assist you in controlling the distribution of NCAC codes and assist in preventing fraud. The assigned primary contact for your account will be responsible for issuing and controlling the use of NCACs provided. The assigned primary contact should request all applicants to provide a copy of their enrollment receipt in order to assist you with your record-keeping.

Please review the following guidelines before you open an NCAC account:

- A minimum of 50 (fifty) NCAC codes per service type must be requested at any one time.
- Customers may open only one account per tax ID number.
- Complete and return the attached NCAC Agreement, Credit Card Authorization and Customer Account Information forms in their entirety to our Billing department via fax at 615-871-0845.
- The Customer Account Information form is used to identify those email addresses to which IDEMIA should send NCACs for your account.
- Upon receipt and execution of the requested documentation, IDEMIA will provide your assigned primary contact with NCACs. Allow 3-5 business days for processing.
- Your nine-digit Federal tax ID number or EIN number will be the identifier for your account, along with an account name. The assigned primary contact must provide this information to order additional NCACs.
- Additional NCACs may be requested by submitting a re-order form, located at the “Download Forms and Links” section on our web site, <https://www.identogo.com/locations/tennessee>. All re-order forms must be submitted via email to: TNUEPAccounts@us.IDEMIA.com.
- If the NCAC payment method does not work for you, other payment options are available.
 - Credit Card onsite (Card holder must be present)
 - Money Order or Cashier's Check per individual fingerprinting applicant

Steps to Redeem an NCAC

1. Pre-enroll and schedule a fingerprint appointment in the State of Tennessee at <https://tn.ibtfingerprint.com/>
2. When prompted to choose the form of payment, select the Coupon Code option.
3. NCAC “Coupon Codes” are associated with a specific applicant type. Be sure the NCAC provided to the applicant is associated with the proper applicant type. Otherwise, the applicant will be prompted for another form of payment at the enrollment session as the applicant will be required to pay for his or her enrollment with a payment method other than Coupon Code.
4. IDEMIA will provide your applicants with a receipt, indicating confirmation of payment by NCAC. This is not a credit card receipt.
5. Ensure that the applicant retains or returns a copy of the receipt to you for your records if needed for auditing requirements. The applicant may ask for more than one copy of their receipt at the enrollment center at the time of fingerprinting.
