West Virginia Non-Resident Processing Instructions

Card Scan and Out-of State Livescan Procedures

For those applicants residing outside of West Virginia or physically unable to visit an IdentoGo location, Cardscan processing is available. In order to complete the process, applicants must complete the following steps.

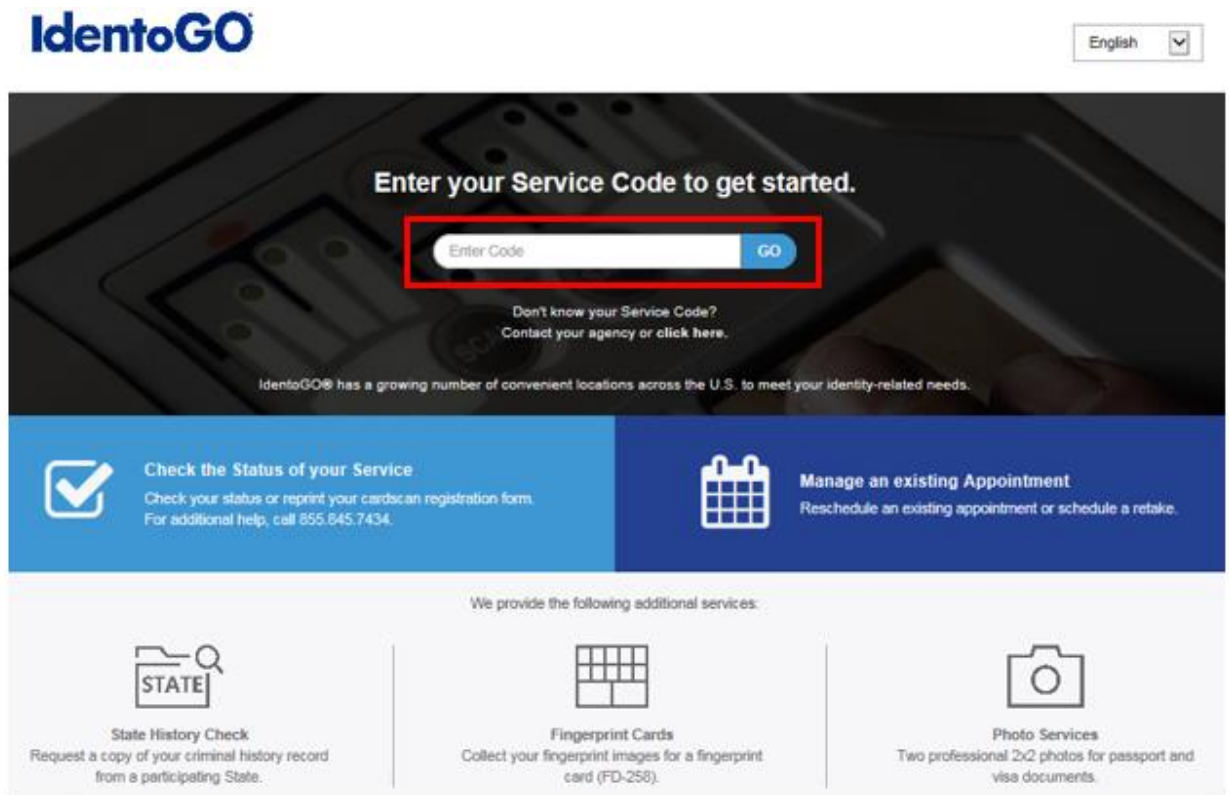

1. Pre-enroll for cardscan submission at UEnroll.identogo.com. All processing fees will be collected during the pre-enrollment process. A pre-enrollment confirmation page will be provided once registration is complete.
2. Print and sign the completed pre-enrollment confirmation page, which includes the barcode printed on the top right of the page.
3. Obtain fingerprints on FBI (FD-258) fingerprint card and complete personal information fields on fingerprint card. Please note that the fingerprint card must be signed by the applicant or it will not be processed.
4. Mail the signed pre-enrollment confirmation page and the completed fingerprint card to the mailing address provided by your agency or during the pre-enrollment process. For further instructions, each applicant should contact their employer or agency contacts for those details.

Please review the following pages for more detailed instructions regarding the Universal Enrollment Platform Pre-Enrollment process for non-resident cardscan.
